## Why Are Our Ads Innovative?

### AR Ads

- AR ads create personal, interactive experiences, helping potential donors feel emotionally connected to the SFSPCA's mission
- AR resonates with tech-savvy Gen Z and millennials, offering engaging content that's likely to be shared and interacted with

### Radio Ads

- Radio targets diverse audiences, including those not active on social media, and fosters local involvement.
- Radio ads are affordable and can complement digital campaigns by driving listeners to online donation platforms

### **Billboard Ads**

- Billboards capture attention in high-traffic areas, expanding SFSPCA's audience beyond digital platforms and increasing brand recognition.
- Combining traditional and digital advertising sets SFSPCA apart, allowing them to stand out and reach targeted demographics in key locations.
